

HAPPY NEW YEAR!!

REMINDERS

All secretaries are reminded (again) to forward league subscriptions (£60.00 for senior teams / £30.00 for junior teams) for this season to a member of the Committee, preferably Ian Mason, as soon as possible.

Also, please note that the first cycle of matches (ie up to the end of the calendar year 2009) should be completed at the latest during week- commencing

18th January 2010

- ie 'catch-up' week on your fixture list.

Teams who need to play cancelled matches should ensure that they prioritise un-played matches from the first cycle (and *not* those from the beginning of the second cycle of matches which had to be cancelled because of the bad weather).

Please further note that, failure to complete the first cycle of matches by 22nd January 2010, will result in those matches deemed as void, with no result / no points awarded to either team.
